During the process of becoming a Non-Profit organization, P2FF has served men and women, teens, young children and families through mentoring and with P2FF Educating, Exploring, Equipping and Examining tools and resources. As these people come before the Lord to receive and be all that the Creator intended, both care receiver (P2FF Pathfinders) and care giver (P2FF Trail Guides) benefit from the private, secure web tools and access ([www.P2FF.com](http://www.P2FF.com)) and the personal mentoring support. Counselors, pastors and other caring helpers find these web tools enhance and streamline care services when they are given permission and access by the Pathfinder they are helping..

*“I never knew that I could feel such JOY in life— even through trials. Through P2FF, I have grown closer and more trusting of my Creator and Savior Jesus Christ, I now **feel** and **know** the presence of Jesus. My family and relationships are healthier, happier and life is much less stressful.” - Hope P. — Colorado Springs, CO*

Through the prayerful giving of P2FF Trail Guides (who gave sacrificially of their time and money before P2FF became non-profit) and the selfless giving of those of you with a heart for wounded, hopeless, brokenhearted people, P2FF has consistently helped all of those completing the Pathway. Now, as a non-profit organization, your tax-deductible donations will go farther to meet the needs of those earnestly seeking God's help and healing through the healthy mentoring and Bible-based, experiential Steps, tools and mentoring that P2FF offers. *“My marriage was a mess, my kids were out of control and I was a victim and trapped in my circumstances. I am now able to use practical P2FF tools to handle stress and make healthy decisions. Through my P2FF work, others are seeing peace and joy in me even in trials. My children are now involved in P2FF and we are becoming healthy as a family. Even though P2FF is very cost-effective, we are struggling financially. We know the benefit of P2FF and will not quit. Now I pray for God to provide resources for us in these trying times. God bless everyone donating to P2FF!” - Joan R.— Elizabeth, CO*

*Tell them to use their money to do good. They should be rich in good works and should give generously to those in need, always being ready to share with others whatever God has given them. By doing this they will be storing up their treasure as a good foundation for the future so that they may take hold of real life.
